Worthy Worship

Introduction & Prayer (5 minutes)

Worship.

It's more than singing.

It's more than a corporate gathering.

It's more than prayer or Bible study or any other spiritual discipline.

It's how your heart and mind and body and soul respond to your God.

And it's what you were created to do.

Put simply, worship can be defined as your right response to all that God is with all that you are.

When you start to grasp the full scope of this discipline and realize it's more than just your Sunday morning experience, you gain a better understanding of how very important it actually is.

God created you... for His glory. And as we give Him the praise He is due in ALL aspects of our life, we are actually more satisfied!

So, with this in mind, how do we do this on a very practical level.

In this 1-Hour Bible Study, you will discover the practical aspects of worship and learn how to truly understand this critical spiritual discipline.

Write out prayers using these verses as you prepare to study: James 1:5, Psalm 119:105, Psalm 119:18 and James 1:22

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

Bonus: *Bible Journal & Prayer* (15 minutes)

Yep, you heard me right. I'm going to encourage you to *Bible Journal*, even if you are uncomfortable even hearing the words.

1. Choose a passage of Scripture from this study.
2. Choose a "canvas". This could be an actual Bible (although I never recommend covering pages of your only Bible), a journal, or the blank page below.
3. Meditate on the passage you have chosen and allow God to give you a visual representation of the Scripture.
4. Begin to doodle... then add color if you want. Repeat the verses over and over to yourself as you create and/or PRAY over the truth of the words you are repeating.
